## **Fun Ideas To Do Anywhere!**

- Find a friend or 2, grab your bikes, parents set a perimeter, and they can ride and play anywhere within the perimeter. Go over the ground rules: No one goes near water (no ponds/lakes/streams - creeks at your own risk!), they need to be home at X time to check in, at least one kid has a watch with an alarm set so they come back - GO!).
- sand box, sprinkler, lake, pool, fireworks at the farm, trampoline, playing soccer parents vs kids, playing basketball, eating ice cream, eating popsicles, climbing trees, going to the park, biking, roller blading, water skiing, tubing, playing tag, read a book outside, chalk, build a tree fort, hiking and exploring
- Go camping! Even if it's just in your backyard.
- Explore your local parks and trails
