Thankful!

Hello Mendota Families!

On behalf of the entire PTA Board, we wish all Mendota families a happy, healthy holiday season! As we prepare to close out 2021, a great big THANK YOU to all families, teachers, staff, and students who have made Mendota Elementary such a wonderful community.

Looking back, we had an amazing month! We celebrated our diversity with our first East African Night, where delicious foods from many cultures - East Africa and beyond! - were shared. We also had a great turn out for our November Kindergarten Showcases. Thank you to the parents who volunteered their time to answer questions from potential families and show what a supportive community we foster at the school. We'll need some more help in January for Kindergarten Registration Night, so look for Sign Up's next month! It was also great to see so many families having a wonderful time at Skateville in November - a fun time to unwind before jumping into Thanksgiving festivities.

We try to dial back events in December because we know everyone has a lot going on this time of year. That means no information night in December, but we'll be back in January to talk about important aspects of online safety for our children. We hope to see you there on Monday, January 10 @ 6:30!

Jennie Kawaters & Jonna Dunst
PTA Co-Presidents
