Warming Up!

Hello Mendota Families!

Despite the cold, our school community is still bustling with activity!

Our fourth graders are busy preparing for the musical (come out and see the performances on March 9th and 10th!).

Kindergarten families are dropping off their registrations as we speak and a scavenger hunt is planned for them in March (be sure to welcome any new families that you know!).

Our Fundraising Committee is hard at work planning our Silent Auction (mark your calendar for April 22!).

Registrations for the Project Fair have started coming in with some great project ideas (forms are due March 14!).

Finally, if you missed our February Parent Information night, head over to our website (www.mendotapta.com) to access lists of summer activity options for kids.
